

# TPH CENTER OF EXCELLENCE ACADEMICS

One of a kind blended learning platform that offers the best of both worlds – a fully online learning experience with TPH-focused Edmentum instructors and on-site academic leadership that fosters a positive learning environment, individualizes and customizes the learning experience and holds students to a high standard.

## **ZOOM VIDEO CONFERENCING**

With regularly scheduled live lessons provided by instructors and consistent weekly scheduled virtual 'office hours', our students have the ability to setup scheduled times for additional instructional support as needed.

## **VIRTUAL TUTORING SERVICES**

Enables our students to access highly qualified tutors, regardless of if they are working during the school day in the CoE, traveling for sports or activities, or at home requiring immediate assistance.

## **NCAA COMPLIANCE**

Access to a dedicated guidance counselor to ensure appropriate course selection and compliance with NCAA Eligibility Center requirements.

## **ACCESSIBLE COURSEWARE**

All courses are fully portable and supported on mobile devices to provide access anytime, anywhere, any place.

### **COURSE OPPORTUNITY**
